The total amount for crediting is confirmed by the Client when he makes the application for the payment.

5. The types of the Bet Slips

5.1. "Single bet" – the Bet on the prediction of the Outcome for one event. The "single bet" Winning is equal to the product of multiplying the Bet's amount by the Odds defined for this Outcome of the event.

5.2. "Combo bet" – the Bet on the simultaneous forecast of the Outcomes of several independent events. The Winning of this type of the Bet Slip is equal to the product of multiplying the amount of the Bet by the Bet Slip Odds received by multiplying the Outcome Odds of all the events included to the Bet Slip. Any combination of Outcomes of independent events of any kind of sport can be included into this type of Bet Slip. The Bet Slip is considered won if all included events are correctly predicted. Losing one of the Outcomes (or more) means losing the Bet Slip in total. The total number of events is two or more. It is forbidden to include to the Bet Slip various events of the same match, different Bets on the same player within one tournament (for example for win a tournament and win a match) even they are not directly related. If any events related to this match were included to the Bet Slip then this Bet is refundable even if the Website did not block the Bet at the time of acceptance.

5.3. "System" - a set of "Combo bets" which is a completed list of "Combo bets" options of one size from a fixed set of Outcomes. It is characterized by the same amount of the Bet for each "Combo bet" (system variant) and identical number of Outcomes in each "Combo bet". For the "System", it's necessary to specify the total number of Outcomes and the dimension of the "Combo bet" (the "System" variant). The Bet Slip Winning is equal to the sum of the Winnings of all "Combo bets" included to the System.

6. The types of the Bets

6.1. 3Way

The Bet on the victory of the first team (in the Line is indicated by the symbol "1"), a draw (indicated by "X") or the victory of the second team (indicated by "2"). The Bet is considered as win if the Client correctly predicted the Outcome of the match or the specified time interval.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.2. 2Way

The Bet on the victory of the first team (in the Line is indicated by the symbol "1") or the victory of the second team (indicated by "2"). This type of the Bets is typical as a rule for sports where a draw is impossible according to the rules of the game. The Bet wins if the Client correctly predicted the winner of the match or the specified time interval.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only

the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

In the case of a draw the Bet is settled with the Odds 1.

6.3. Correct score

The Bet wins if the result predicted by the Client exactly meets to the result of the match or the result of the specified time interval.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.4. Double Chance

The Bet with double chance for Winning.

The victory of the first team or a draw is indicated as "1 or X". For Winning of the Bet on such Outcome, it is necessary that the first team does not lose, that is win or play a draw.

The victory of the second team or a draw is indicated as "X or 2." For Winning of the Bet on such Outcome, it is necessary that the second team does not lose.

There will be no draw (victory of the first or second team) is indicated as "1 or 2". For Winning of the Bet on such Outcome, it is necessary that one of the teams win, that is there is no draw.

The Bet wins if the Client correctly predicted the result of the match.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7.

6.5. «Europe handicap» or «Handicap 1X2»

The Bet on the victory of the first team (in the Line is indicated by the symbol "1"), a draw (indicated as "X") or the victory of the second team (indicated as "2") with a handicap. Defined handicap number is added to or deducted from the result. The settlement of the Bets is made in accordance with received results. The Bet wins if the Client correctly predicted the result of match received after the handicap number adding.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.6. «Asian handicap»

The Bet on the victory of the first team (in the Line is indicated by the symbol "1") or the victory of the second team (indicated as "2") with a handicap. Defined handicap number is added to or deducted from the result. The settlement of the Bets is made in accordance with received results. The Bet wins if the Client correctly predicted the result of match received after the handicap number adding.

In the case of a draw after the handicap number adding the Bet is settled with the Odds 1.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.6.1. Tennis

"Asian Handicap" is given by games. It means that the result of the match is counted by the number of games won and not by the number of sets won as in usual Bets.

6.6.2. Volleyball

For this kind of sport "Asian Handicap" is represented in two types: by games and by sets.

6.7. Odd/Even

The Bet is represented by two Outcomes ("Even" or "Odd") and wins if the Client correctly predicted even or odd number goals/points would be scored in the match or in indicated time interval.

For this type of the Bet "0" is considered as even number.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.8. Under/Over

The Bet is represented by two Outcomes ("Over" and "Under") with indication "Base number". The Bet wins if the Client correctly predicted the number of goals scored in the match, in indicated time interval or by defined team, that is the number of goals is under or over than "Base number".

To exclude the case of parity "Base number" is presented in divisional form.

6.8.1. Tennis

The total result is settled by games.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.9. Exact number of goals

The Bet wins if the Client correctly predicted the number of goals scored in the match, in indicated time interval or specific team (indicated in the name of the Bet).

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.10. "Next goal"

The Bet is represented by three Outcomes: "1", "No goal", "2" and wins if the Client correctly predicted which team will score the next goal or the goal will not be scored.

The result for the settlement is taken since the moment the Bet is accepted and until the end of the playing time for the sport from section 7.7.

6.11. "Both teams to score"

The Bet is represented by two Outcomes: "Yes", "No" and wins if the Client correctly predicted the final result of the match.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

6.12. "Win to nil"

The Bet is represented by two Outcomes: "Yes", "No" and wins if the Client correctly predicted the final result of the match. The Outcome "Yes" will be winning if the team wins the match and does not miss a goal. The Outcome "No" will be winning if the team loses the match or misses the goal.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7.

6.13. The Bets on the course of the match or events in the match

This section includes the following Bets:

- "Will there be overtime in the match" (hockey)
- "Will there be a tie-break" (tennis)
- "Will there be an X-set in the match", where X is 3,4 or 5 (tennis, volleyball)
- "Game X. To deuce (40:40)" (tennis)

The Bet is represented by two Outcomes: "Yes", "No" and wins if the Client correctly predicted the course of events in the match.

The result for the settlement is taken in accordance with the playing time for the sport from section 7.7 or only the result of the corresponding time interval or part of the match in the case of forced indication of the time interval or part of the match in the name of the Bet.

7. Rules for accepting and settlement of the Bets

7.1. General

7.1.1. The Bets are accepted on the basis of the Line of upcoming matches with the Winning Odds proposed by the Company. The Odds may be changed after any Bet but the conditions of previously made Bets remain the same. Before each Bet placing the Client must check all changes to the Line.

7.1.2. It's not allowed to place the Bets on behalf of another person, on behalf of bookmakers or other persons. It is not allowed to place the Bets on sporting events to persons who participate in them: participating sportsmen, club owners, trainers. It's also not allowed to place the Bets on behalf of the persons defined above. In case of violation of these rules the Company reserves the right to declare the Bets as invalid, as well as refuse to pay any Winnings and return the amounts paid. The Company has the right to apply these measures immediately after it became aware of the involvement of the Client to one of defined persons.

7.1.3. Placed and registered Bets can not be canceled or corrected by the Client. Before placing the Bet the Client is obliged to check the correctness of the Bet Slip filling for accordance to these Terms and Conditions.

7.1.4. The Bets are accepted before the start of the event. If for any reason the Bet is made after the actual start of the event, such Bet is considered as invalid (with the exception of Live-betting).

7.1.5. The Company keeps the right to define individual terms of the Bets placing for each specific events.

7.1.6. By placing the Bet the Client confirms that he does not know the Outcome of the event on which the Bet is made. Otherwise placing of the Bet will be regarded as fraud and settled with the Odds 1. In case of repeated

violation of this clause of the Terms and Conditions the Company reserves the right to refuse to service for the corresponding Client's Account without paying funds.

7.1.7. Necessary condition for the Company to accept the Bet is to have enough funds on the Client's Account to cover the amount of the Bet. Partial coverage of the Bet amount is prohibited.

7.1.8. The Bet is considered as accepted at the moment of confirmation by the Company. The Bet is considered confirmed when the message with indication of this Bet appears in the section "Bets History". In case of disagreement regarding the time of the Bet's accepting it is taken the moment when the corresponding Bet was registered by the Company.

7.1.9. In case of any doubts the Company has the right to return the Bet at any time and without giving reasons.

7.1.10. If the Bet is declared as invalid, for example, as a result the event's cancellation the amount of the Bet is refunded to the Client's Account. Herewith if the Bet was included into "Combo bet", then the "Combo bet" is re-settled excluding this invalid Bet.

7.1.11. If in the Company opinion there was the interference to the competitions result or the formation of the Bet, the Company reserves the right to send the information about the relevant party (information relating to remarks or suspicion in the relevant misdemeanor) to sports organizations, state authorities or another third party who is investigating similar cases.

7.2. Suspicious Bets

7.2.1. The Bets are considered "suspicious" when the Company has reason to believe that one or more Bets were made under suspicious circumstances including but not limited to:

- Too many Bets and/or unusual manner of the Bets on the same events within a short period of time;
- Too many Bets and/or an unusual manner of the Bets on the same events, while the theoretical probability of Winning at the time of the Bet according to the proposed Odds does not noticeably correspond to the theoretical probability of the Winning for the same events settled by using their starting prices;
- The Company has good reason to believe that the Bet or a series of interconnected Bets were not made by the Client personally but by using bots or other automated tools or in any other way than manually selecting the Bets by the Client;
- The Company has good reasons to believe that the Client used unfair external factors related to the events on which the Client made the Bets;
- The Company has good reasons to believe that the Client has created or controls a few Accounts in order to

hide the true nature and system of the Bets made by him or on his behalf. This also includes situations when a few Accounts are opened with different names;

- The Company has good reasons to believe that the Client is acting in collusion with other users or acting not on its own behalf;

- The Company has good reasons to believe that the information provided by the Client about his location and the device with which he made the Bets is not true.

7.2.2. The Company may in any time and without giving reasons return the Bet which in the Company's opinion is suspicious.

7.3. Live-bets

7.3.1. Live-bets are made during the event. Such Bets are considered valid if they are made before the end of the match and if there is no reason to believe that the Bet was made after the result of the game (or part of the game) became known or after the selected participant or team acquired significant advantage.

7.3.2. The current score, time, game statistics and other Live-bets data on the Company Website are not official, may be inaccurate or delayed in time. This information is provided "AS IS". If Bet is placed on the basis of this information the Client assumes all responsibility and risk for the Outcome. The claims related to inaccuracy of provided information are not accepted.
